Post Results Services – Information for Students

If, following receipt of your results, you are considering a review of marking; you should first discuss this with a senior member of staff who will be available on results days. Should you wish to proceed with a review of any of your papers, please see below information to help you decide what service you need.

To request any of the services below you need to return a completed ROM (Review of Marking) form along with payment to Mrs Martin in the Exams Office. Costs and deadlines are detailed on the form.

Service 1 (Clerical Check)

This service will include the following checks:

- that all parts of the script have been marked;
- the totalling of marks;
- the recording of marks.

The timescale for completion is within 10 calendar days of the awarding body receiving the request.

Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly.

A marking error can occur as a result of:

- an administrative error;
- a failure to apply the mark scheme where a task has only a 'right' or 'wrong' answer;
- an unreasonable exercise of academic judgement.

The awarding body will train its reviewers to conduct reviews of marking accurately and consistently. **Reviewers will not re-mark the script.** They will only act to correct any errors identified in the original marking.

The service is available for externally assessed components of both unitised and linear GCE and GCSE specifications.

The timescale for completion is within 20 calendar days of the awarding body receiving the request.

This service will include:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above.
