Dear Parents / Carers

Further to Mrs Brandon's letter setting out important dates for Year 11 pupils and as we work towards their mock examinations that take place from 7th December, we would like to highlight that, whether your child is learning in school or remotely, there are invaluable lessons and resources on Google Classroom.

It is our expectation that unless pupils are unwell, they complete all Google Classroom tasks set in order that they are fully prepared for their examinations. We are monitoring pupils' completion of tasks.

In addition, I would like to draw attention again to the videos the school has made about revision which are available both on the school website and on the pupils' Google Classroom. These are designed to help ensure that pupils revise effectively. Please find below the web-link to these resources:

In addition to this general advice about revision, individual subjects have also placed advice on their Google Classroom areas. For example, the English revision resources are on the Year 11En Google classroom.

We are very pleased that the vast majority of our pupils are completing their tasks and are working hard and we would like to congratulate them on their conscientious attitude.

Yours faithfully

Mr P Clift
Deputy Head
